I am 1st year student attending university at Canterbury Christ Church where I am developing my passion in computer forensic and security, which will help me get a job in the computer forensic sector when I have finished my course. I am a hardware, driven and resilient character that won't let any problem get in my way. I'm current working at Sainsbury 's while I finish my course. Where I have learnt customs skills and developed teamwork, time management and what's it like working in the real world.

EXPERIENCE

2018 – CURRENT

RETAIL ASSISTANT, SAINSBURYS

- Delivered outstanding in-store experience through positive and attentive customer service.
- Continually replenished stock in line with sales records, keeping well-maintained, presentable item displays
- Developed from a basic food colleague to one of the most multi-tasked colleagues in the store by being enthusiastic in learning new skills.

EDUCATION
